

HEAVEN IS HERE

By Ellemme (Lucio Starita & Mauro Becattini)

Freedom will come
Freedom will come
Freedom is here!

I was looking for goodness
I was looking for goodness
But didn't find only goodness

Goodness will come
Goodness will come
Goodness will come
Don't you see
Goodness is blooming everywhere

I was looking for Heaven
I was looking for Heaven
But didn't find only heaven

Heaven will come
Heaven is here
Heaven is here
Don't you know heaven is blooming everywhere

Heaven in the earth
Heaven in the earth

MUSIC

Heaven is not a dream

I was looking for heaven
I was looking for heaven
Heaven is here ... Heaven is here ... Heaven is here ...

Heaven is here ... Heaven is here ... Heaven is here ...

Look!
